

# Lighthouse Learning Academy Family Newsletter

## December 2020

Wow, December already?! This unusual year has flown by! We will be celebrating Christmas a little differently this year but don't fret we still know how to spread Christmas cheer. Classrooms will not have a designated classroom party, but we will still have the book exchange for families that would like to participate on the 21<sup>st</sup>. If you have any questions about this, please ask your child's teacher or Ms. Ali.

Lighthouse Learning Academy will be closed this year from Christmas Eve through New Year's day to celebrate the holidays with our loved ones. We wish everyone a Merry Christmas and a happy and safe New Year!

Our center has a new email: [cookeville@brighthideasfamily.com](mailto:cookeville@brighthideasfamily.com) If you would like a business card with our new email, they are located on our front desk.

Parent teacher conferences will also be a little different this year, like most things. Classroom teachers will be filling out your child's Creative Curriculum Developmental Standards report and be sending those home with your child on the 21<sup>st</sup>. If you have any questions or concerns we can set up a time to meet with your child's teacher in the new year. We are trying to limit any possible extra exposure for adults, and this way of doing conferences was recommended to us by our DHS evaluator. We still want to be as available as possible to our families and communicate your child's growth and development.

### **COVID Information**

We are still asking parents to stop at the classroom doors to prevent any possible exposures in the classrooms. Adults must still wear face masks or coverings in our facility. Thank you for continuing to help keep everyone as healthy and safe as possible!
